Dear Participants,

Greetings from the Coalition for Disaster Resilient Infrastructure (CDRI).

In view of the spread of Coronavirus and the evolving cases of COVID-19 being reported across the globe, the Interim Secretariat has decided to postpone the Third International Workshop on Disaster Resilient Infrastructure (IWDR I 2020) scheduled to be held on 19-20 March, 2020, until further notice.

We thank you for all the hard work in preparation of the Workshop and hope you will be able to join us when the new dates are announced.

We will keep you informed about the rescheduled Workshop dates.

It's our sincere hope that you continue to take precautionary measures against the virus and wish you good health and safety.
